ABOUT ME

I have knowledge in **HTML, CSS, Bootstrap, JavaScript, MySQL, PHP**, I'm a Community Manager, and was a senior editor and writer for 6 years in DiarioSobreDiarios.com (currently off-line). At the time, my actual job consists in auditing media for Ejes de Comunicación.

I have an upper/intermediate English level and I recently finished 2 programming courses at the Universidad Tecnológica Nacional of Buenos Aires (UTN).

PERSONAL OBJECTIVE

Im a hard-working junior level programmer focused on **learning new ways to solve problems**. I believe programming is THE path to achieve more efficiency and quality of data management. I have great **soft skills** and I work better in teams.

Availability: Full Time.
